DECEMBER		• Year-End Technical Review • 5th: World Soil Day	• Social media & Email Publicity

Detailed Summary of Specific Components

1. Technical & Professional Development

- **Memorial Lecture:** The **Pa Fadahunsi Memorial Lecture** is specifically placed in August to anchor the mid-year technical peak.
- **Certification Course:** Scheduled for **September 2026** as a specialized high-level training.
- **Engineering Days:** The National Webinars on **Feb 22nd** and **May 17th** are the designated platforms for public policy engagement.
- **CPE: Continuous Professional Education** is integrated into every quarter to ensure members meet NSE licensing standards.

2. Welfare & Membership Growth

- **Scholarship Scheme:** A dedicated window in **August** for financial support to students.
- **Student Membership:** The **September Career Development** focus is designed to capture graduating engineers.
- **Elder Welfare:** The **October visit to Aged Members** ensures the institution's legacy is respected.

3. Statutory & Media

- **Executive & Council:** Precise dates (**January 8, February 26, April 16, June 18, August 20, October 15**) ensure the leadership monitors the group dynamics monthly.
- **Newsletters:** Quarterly distribution ensures all technical sessions and visits are documented.
