Workers' Day Celebration

1st
May,
2026

The Nigerian Institution of Environmental Engineers (NIEE) joined the global community in celebrating Workers' Day 2026, paying tribute to the dedication, professionalism, and resilience of engineers and workers across Nigeria. The Institution commended its members for their unwavering commitment to environmental protection, sustainable engineering solutions, and national development.

MAY ORDINARY MEETING & TECHNICAL PRESENTATION

TOPIC:
Job Hazard Analysis in Engineering Practice: From Risk Identification to Enforceable Safety Standards

Date: 13th May, 2026
Time: 05:00 pm West Central Africa
Venue: Engineering Annex Building, Nigerian Meteorological Agency (NiMet) Bill Clinton Drive, Nnamdi Azikiwe INT Airport, Abuja.

Announcer: Engr. Awyatu Wadi (Technical Secretary) 08038182487

Presenters:
ENGR. UCHE PATRICK-OBIKILE
ENGR. ABDULLAHI HUSSAINI

The Nigerian Institution of Environmental Engineers (NIEE), Abuja Branch, successfully held its May Ordinary Meeting and Technical Presentation on 13th May 2026 at the Engineering Annex Building, NiMet, Abuja. The session featured a presentation on “Job Hazard Analysis in Engineering Practice: From Risk Identification to Enforceable Safety Standards” delivered by Engr. Abdullahi Hussaini, PhD. Members engaged in insightful discussions on workplace safety, hazard identification, and best engineering practices aimed at improving safety standards within the profession.

Courtesy Visit to Nigerian Ports Authority

The National Chairman of the Nigerian Institution of Environmental Engineers (NIEE), Engr. Caius Ikem Umekesiobi, FNSE, FNIEE, PMP, led a delegation of the Institution's National Leadership on a courtesy visit to the Nigerian Ports Authority (NPA) Headquarters in Marina, Lagos. The delegation was received by Engr. Olalekan Badmus, FNSE, FNIEE, Executive Director, Marine and Operations, Nigerian Ports Authority, alongside other senior management staff of the Authority.

Persons in the Photograph (Left to Right):

Engr. Akhigbe J. O. – Acting AGM, Safety, NPA

Mr. Ajayi B. Olumide – NPA

Engr. Mustapha M. A. – Technical Secretary, NIEE

Engr. Ojowuro O. M. – Financial Secretary, NIEE

Engr. Adesanya A. O. – General Manager, NPA

Engr. Olalekan Badmus – Executive Director, Marine and Operations, NPA

Engr. Caius Ikem Umekesiobi – National Chairman, NIEE

Engr. Yusuf Majolagbe – General

Secretary, NIEE

Engr. (Dr.) Ogunyemi N. A. – Immediate Past Chairman (IPC), NIEE National

Engr. N. D. Azubuike – Pioneer National Coordinator, NIEESA

The visit provided an opportunity for both organizations to engage in productive discussions on environmental sustainability, safety management, infrastructure development, climate resilience, and opportunities for strategic collaboration in advancing environmental engineering best practices within Nigeria's maritime sector. The discussions emphasized the critical role of environmental stewardship and sustainable port operations in supporting Nigeria's attainment of the United Nations Sustainable Development Goals (SDGs) and the country's Nationally Determined Contributions (NDCs) under the Paris Climate Agreement.

Other officials of the Nigerian Ports Authority and members of the NIEE delegation were also in attendance.

Together, NIEE and NPA remain committed to advancing sustainable maritime operations, environmental protection, and national development for present and future generations.

NIEE National Salah Greeting

THEME

Advancing Environmental Resilience
Through Engineering Innovation for
Sustainable National Development

The Nigerian Institution of Environmental Engineers (NIEE), a Division of the Nigerian Society of Engineers (NSE), invites researchers, engineers, academics, environmental professionals, policymakers, students, development partners, and industry stakeholders to submit original technical papers, research findings, case studies, and innovative solutions for presentation at the 2026 National Conference & AGM.

A platform to showcase engineering innovations that address climate change, environmental degradation, pollution, sustainable infrastructure, resource management, and national development.

AUTHOR GUIDELINES

- **Abstract:** Maximum 300 words
- The abstract should clearly state the purpose, methodology, key findings, significance, relevant sub-theme.
- **Full Paper:** 4,000–8,000 words
- **Paper Structure:**
Title | Author(s) & Affiliation(s) | Abstract Keywords | Introduction | Methodology | Results & Discussion | Conclusion | References
- **Font:** Use Times New Roman; 14pt for titles and 12pt for text. Line spacing: 1.5.
- Papers must be original, unpublished and aligned with the Conference Theme.
- All submissions will undergo **peer review**.
- Accepted papers will be presented at the Conference and considered for publication in the Conference Proceedings.

Who should apply

- Environmental Engineers
- Civil, Chemical, Mechanical & Agricultural Engineers
- Academics & Researchers
- Government Agencies
- Environmental Consultants
- Electrical Engineers
- NGOs & Development Partners
- Private Sector Professionals
- Postgraduate Students
- Sustainability Practitioners
- All stakeholders in the Environmental sector

CONFERENCE SUB-THEMES

- 1 Climate Change Adaptation & Environmental Resilience
